Subject: CLANDESTINE DENTIST BUSTED AGAIN!!

Today, April 5, 2016, the Miami Police Department's Staged Crash Insurance Fraud Detail detectives arrested Angel Nolasco, D.O.B. 3/1/35, and his son Andres Nolasco, D.O.B. 11/18/75 after learning from a woman that had undergone dental treatment that went bad from the Nolascos' began back on April 25, 2015.

According to detectives, the victim, Tomasa Del Claver, of 21461 SW 122 Court, Miami, Florida 33177, visited Coral Dental laboratory located at 2540 NW 7th Street who according to her was a full functioning dentist office. She entered the business and in the rear was where the dental treatment began. Both Angel Nolasco and Andres Nolasco proceeded to conduct the dental examination and gave her prescription strength pain medication and antibiotics to take home with her.

Days after the procedure, Ms. Del Claver felt weak, sick and had uncontrollable bleeding, so she went to see Nolasco for treatment and again, he provided her medication. As days passed, the problem persisted so she went to a local hospital where there, she received proper and additional treatment for an adverse infection that required immediate attention.

Fortunately, the victim survived the traumatic experience

Detectives are urging any other victims to come forward.

Angel Nolasco, D.O.B: 3/1/35 and Andres Nolasco 11/18/75 were arrested and charged. (See attached Arrest Affidavits)
