Subject: SNEAKY WOMAN ROBBER NABBED; ONE ON THE LOOSE

The Miami Police Robbery and Brickell Problem Solving Team detectives have arrested Subhanna Beyah, D.O.B. 6/4/88 on one count of strong arm robbery and one count of food or water/poison.

According to detectives, on April 9, 2016 sometime between 6:00 A.M. - 7:00 A.M., Beyah along with a female companion met two men as they exited a nocturnal club and sought a car service in order to go home. Beyah and her friend befriended the men, so both men asked them to join them at home for some drinks. Prior to arriving home, one of the men stopped at a grocery store to purchase male contraceptives and later at a gas station to purchase beer since the women assured them they were definitely going to engage in sexual intercourse.

Once at victim #1's home located at 145 Southwest 13 Street, victim #2 felt uneasy and decided to leave, so he went about his way. Victim #1 was persuaded and encouraged to drink beer by both women in exchange for sex. He began to feel uneasy and lost total consciousness. Once he woke up, the women and his pricey Rolex watch were gone!

Detectives are seeking assistance in identifying and locating Beyah's female companion who is seen wearing a light teal striped and checked shirt with black shorts. Surveillance video and still photos that are attached.

The investigation continues....
